

## My Special Reindeer!

### Materials:

Brown, tan, white, black and red construction paper

Glue

Scissors

Instruct the students to trace their foot on brown construction paper and cut out. Next, have the students trace their hands on tan construction paper and cut. Glue the brown on the black construction paper. This is the reindeer's head. Place the hands where antlers are found. Cut out two white eyes and one red nose. Draw a smile on your reindeer. Display

so all can see your special reindeer!
