Gingerbread Man Ornaments

Materials:

- 1 cup cinnamon
- 1 cup applesauce
- wax paper

Mix ingredients until the dough becomes stiff. You may need to add more cinnamon to get the consistency of dough. Form dough into a ball. Place ball on wax paper and flatten with your fingers. Roll out the dough so that it is about 1/8 inch thick. Use a gingerbread man cookie cutter to form your shape. With your straw, make a hole at the top of your ornament so that you can hang them. Let children decorate their ornaments with ribbon, buttons, etc. Allow them to dry for 24 hours. After they are dry, use ribbon to hang on your tree or use to decorate gifts.
