

It's Your Birthday

(Sung to "Jingle Bells")

**It's your day, it's your day,
It's your birthday!**

**Oh, what fun it is to wear
Party hats all day!**

**It's your day, it's your day,
A day to celebrate!**

**Oh, what fun it is to eat
Cupcakes that are great!**

**It's your day, it's your day,
A day for friends to come!**

**Oh, what fun it is to get
Presents from someone!**

**It's your day, it's your day,
It's your SPECIAL DAY!**

**Now you're one year older,
Hope it's great in every way!**
