My Favorite Cookie

Materials:

Paper plates
Cookie cutouts
Cookie tin

1. Choose word families that you would like the students to review.
2. Program the cookies with words that you have studied.
3. Store the cookies in a cookie tin.
4. Label each plate with a word family.
5. Place the plates, cookies, and tin in your reading center.
6. Allow the students to sort the cookies to the correct plate as they read aloud the word.

Variation:

Label the plates with Uppercase and Lowercase and allow students to sort cookies that are labeled with the alphabet letters.
