## The Wheels on the...

Materials:

Pocket chart

Cute cards

Pictures of different vehicles.

Discuss with children things that have wheels.

On sentence strips write "The wheels on the \_\_\_\_\_ go round and round." Provide pictures and cards with words such as bike, car, truck, skateboard, etc. Have children placing the word that matches the picture in the sentence in the pocket chart. You may want to include pictures that do not contain wheels like boat, airplane, etc. Children will soon realize that some do not have wheels.
