

Rowdy Rides Up, Down, All Around!

Materials

- ♥ Rowdy puppet (included)– one for each child
 - ♥ brown paper lunch sacks
 - ♥ art supplies
1. Allow children to create a Rowdy puppet.
 2. Have children use the puppet to practice showing relative positions in space and relationship words such as close and far away.
 3. After each word has been presented and demonstrated, try combining a position and a relationship in a single direction. (“Gallop Rowdy around the table keeping him low.” or “Move Rowdy up the bookcase close to the door.”)
