Rowdy Rides

Up, Down, All Around!

Tune: "Jimmy Crack Corn"

Rowdy Rat rides his cat, Prancer.
They ride all day around the ranch. Yes, sir!
They ride for fun, back and forth, everywhere.
As they gallop along, they're a happy pair.

They ride up the hill and down the other side.
They ride around the lake that is deep and wide.
When they ride through a field, oh, how they glide.
But the ride over rocks is a bumpy ride.

They ride far away and back some days.
Other days they stay close to home and play.
Along every road, along every pathway, you can
hear them sing, "Yippie-i-o-ki-ay."
