

Stars in the Night Sky

Materials:

- ♥ black or blue construction paper
- ♥ star cut-outs or stickers
- ♥ chalk

1. Discuss stars and constellations. Share books and pictures with the children.
2. Give each child a piece of construction paper, stickers and chalk.
3. Instruct the children to put their stickers on the paper anywhere they wish.
4. Use the chalk to connect the stars creating a constellation.
5. Display the constellations together so it looks like the night sky cowboys sleep under.
