## Shape Bus Snack

You will need for each child:

graham cracker

2 yellow M&Ms

white frosting

4 Chex cereal pieces

yellow food coloring

paper plate

2 mini Oreos

plastic knife

1 Teddy Graham

Make snack time a learning experience. Children will love to make their own bus and eat it too! Start out by making yellow icing. Mix yellow food coloring into the white frosting. Instruct children to spread the icing on their graham cracker. Add the Chex cereal pieces for windows, Oreos for wheels and the yellow M&Ms for lights. A Teddy Graham Bus Driver can be added to the first "window" with a little frosting. Enjoy!
